Wing Lung Bank Opens New Branch in Mei Foo Sun Chuen

After becoming a member of the China Merchants Bank Group since October last year, Wing Lung Bank has developed rapidly and continued to expand its branch network. Following the opening of a new flagship branch in China Hong Kong City last month, the Bank announced today the opening of an additional branch in Mei Foo Sun Chuen, making a total of 39 local banking outlets to provide quality and convenient banking services to customers in different communities.

With an efficient and extensive public transport network, Mei Foo Sun Chuen, as one of the local biggest private housing estates, forms a large residential conglomerate with the neighbouring private properties built in recent years, including Manhattan Hill, The Banyan Garden, The Pacifica, Liberte and AquaMarine. To cope with the growing demand for banking services by the residents and investors in the area, we set up a branch in Mei Foo Sun Chuen to provide a full range of quality services, among which our mortgage service offers tailored mortgage plans for customers no matter they are first time home buyers, refinancing customers or property investors.

To celebrate the opening of our new branch, we are pleased to present to you preferential mortgage plans jointly launched by Centaline Mortgage Broker Ltd and the Bank. You are welcome to visit our Mei Foo Sun Chuen Branch or our special mortgage service counters set up in the Centaline Property Agency's designated branches for enquiries.

Moreover, from now till 30 November 2009, you can also enjoy other fabulous offers upon acquiring our fixed deposits, securities, insurance service, applying for a credit card or remittance through the new branch.
