

Internet User Guide for Trading US and Singapore Securities

I. Trading US and Singapore Securities via Internet (At Wing Lung NET Securities Services)

A. Buy / Sell Order

Select Global Securities under Securities Trading. Then choose US or Singapore under the Market drop-down menu.

Input Stock Code, Action (Buy / Sell / Sell All), Preferred Price, Quantity, Order Type, and press Send.

The screenshot shows a trading form titled "Normal" with a red header. The "Market" dropdown menu is set to "Singapore", and a search dropdown below it shows "Singapore" selected and "United States" as an option. The "Stock Code" field is empty, and the "Stock Name" field is also empty. There are three buttons: "Buy" (blue), "Sell" (red), and "Sell All" (red). The "Preferred Price" field is empty. The "Quantity" field is empty with a "Shares" label and a spinner. The "Max. Buy/Sell Qty.:" field is empty with a "Shares" label and a calculator icon. The "Order Type" dropdown is set to "Limit". At the bottom, there is a "Tips" link, a "Send" button, and a "Clear" button.
